

Call for Participation

We invite you to join us in **9th International Conference on Bioscience & Engineering (BIOE 2023)**

This conference will provide an excellent international forum for sharing knowledge and results, in theory, methodology and applications impacts and challenges of Bioscience and Engineering. The conference documents practical and theoretical results which make a fundamental contribution to the development of Bioscience and Engineering. The aim of the conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field.

Highlights of BIOE 2023 Include:

- 9th International Conference on Advances in Mechanical Engineering (AME 2023)
- 9th International Conference of Advances in Materials Science and Engineering (MAT 2023)
- 9th International Conference on Recent Trends in Electrical Engineering (RTEE 2023)
